

British Rowing Tour 2018

Instructions to Trailer Drivers

Thursday 30th August

14:00 – 16:00 Deliver boats to the Ferryman Inn, Bablock Hythe, OX29 5AT, tel. 01865 880028. The best way to approach the Ferryman is from the A415 Abingdon Road from Newbridge, or if coming from Oxford, the B4449 from Eynsham via Stanton Harcourt. The road to the pub is a narrow single-track lane, so take care!

Unload and rig boats, leave on the grass next to the pub. The landlord assures us that they have never had any trouble with vandals etc. but loose items should be taken back to the hotel.

Take the trailers to Mapledurham Country Park, RG4 7TR. The entrance to the Country Park is on the right just before Mapledurham Village. The code for the gate will be supplied nearer the time. Drive in, follow the road to the river and park trailers on the left hand side near the toilets. The gate will be secured after we depart.

Allow about 1 hour to drive from Bablock Hythe to Mapledurham and half an hour back to the hotel.

Sunday 2nd September

Trailer drivers take their cars to Mapledurham after (early) breakfast and we will collect them in by car (bank team) and take them back to Wallingford for the start of the day's row.

After lunch, load trailers and depart.

Coach back to hotel for those who need it.
