

Irish Rowing Adventure

2023 British Recreational Rowing Committee

The perfect holiday for paddlers exploring the real Ireland

Based in the heart of Ireland's Ancient East we can offer rowing club groups of 10, 15 or 20 people the chance to negotiate ancient navigations and scenic gems. At night stay in cosy rooms at our base right on the river bank in the medieval village of Graiguenamanagh, Co. Kilkenny. Relax and just arrive as all logistics will be sorted for you, all boats and top class equipment waiting for you, and a super warm Irish welcome from your hosts.

The Irish Rowing Adventure is an exciting rowing tour organised by Brian & Brigid Roberts at their historic and beautiful guesthouse in Graiguenamanagh. All river based activities are coordinated by Brian & Brigid and all the team at Irish Rowing Adventures. Accommodation and meals, as well as biking and onshore entertainment, are perfectly managed on your behalf by our iconic Waterside Guesthouse in Graiguenamanagh. Brian Roberts is proprietor of Waterside and is also founder of Graiguenamanagh Rowing Club, a vibrant and growing club established in 2001.

Graiguenamanagh and this corner of Ireland has a wealth of good rowing opportunities, but is also steeped in ancient and modern Irish heritage. It would be a shame to miss out on this while you are here, and so we also include cycling, traditional Irish pub music nights and visits to the medieval city of Kilkenny. In Graiguenamanagh itself you will feel the heritage in every stone in every building from 800 year old Duske Abbey to the still thriving ancient woollen Mills at Cushendale.
